"Learn to live and live to learn
Ignorance like a fire doth burn
Little tasks make large returns."

—BAYARD TAYLOR

ALMA MATER

Oh, Alma Mater fair and true
Thy honor we acclaim,
We rally 'round the Red and Gold
To laud thy noble name.
In thee we students shall renew
Our faith of days gone by;
Across the years, we'll live anew
Thy spirit Olean High,
Across the years, we'll live anew
Thy spirit Olean High.

Dear Olean, thy loving ways
And charms will ever be
Those memories of golden days,
Those friends and hearts so free;
To thee we pledge thy honor due,
And parting sound thy cheers;
Our thoughts of you, so staunch, so true,
Will live through all the years,
Our thoughts of you, so staunch, so true,
Will live through all the years.

"A school should be a place of light, of liberty and of learning"

—DISRAELI

TO MISS HELENA F. SCHLEICH, Librarian at the Olean High School for the last eighteen years, this Congress of 1947 is affectionately dedicated, as a slight expression of gratitude for her tireless aid in developing an appreciation for the printed page.

"Cease not to learn until thou cease to live
Think that day lost where in thou drawest no letter
To make thyself more learned, wiser, better."

—GUY DE FAUR PIBRAC

FOREWORD

THE Congress Staff of 1947 presents a record, in picture and in words, of one year in the lives of persons who are LIVING AND LEARNING at Olean High School.

RICHARD TRUBY

JULY 25, 1929 DECEMBER 27, 1946

THIS PAGE is dedicated to the memory of Richard Truby, who died as the result of a hunting accident during the Christmas holidays.

Richard was a member of the Class of '47 at Olean High School. As a student, he made many friends who admired him for his honest work, good sportsmanship, and quiet humor. He always contributed to the good atmosphere of every class room in which he recited.

Richard was a friend of all his schoolmates who will long remember him.

ACTIVITY

"I grow old learning something new every day"

MUSICAL ACTIVITIES

THE BAND

MUCH activity has characterized the Olean High School Music Organizations during this year. Beginning with the Labor Day parade, even before school opened, the Band led the Olean group in the line and ever since that time, the various music groups have been constantly in preparation for some coming event.

The Band has furnished music for pep rallies and during the football season played for all home games, putting on shows during the halves.

Olean was well represented at the musical contests in Jamestown, Fredonia, and Hornell. High awards were won by the Band and by small ensembles.

The Band Concert in March played to a large audience in spite of the worst blizzard of the year. It was a fine concert and amply rewarded those who braved the storm.

The Band played on other occasions, such as the Bradford Oil celebration and at the opening of the Pony League baseball season. It was also the Band's turn to furnish music for Commencement this year.

Mr. Grant, the director of the Band, is to be congratulated on his year's work.

THE ORCHESTRA

The Olean High School Orchestra under the combined direction of Mrs. Florence Pratt and Mr. Robert Grant has completed an outstanding year of entertainment for Olean High School, playing selections ranging from Beethoven's Fifth Symphony to Morton Gould's "Hill Billy". Highlights of the year were programs played for the Cattaraugus County Teachers Association, the Christmas Pageant, the Senior Play, the Spring Festival in May and Competition Festivals.

Members from both band and orchestra played at festivals held in Jamestown and Lockport. Seven members from the string section had the honor of being chosen to play in the All-State Orchestra under the direction of Dr. Hanson at Rochester, New York. The students were: Robert Paugh, Margaret Chittenden, Barbara Ford, Suzanne Carmany, Joan Currie, Sally Prentiss, and Peggy Tapp.

The Junior Orchestra, a newly formed organization under the direction of Mrs. Pratt, played for the Junior Play in November, and gave an instrumental concert in June.

Two string ensembles and several soloists participated in the competition festivals at Hornell, receiving high ratings.

String ensembles have rendered many civic services playing for church, P.T.A. programs, broadcasts over W.H.D.L., and have afforded tea and dinner music on many occasions.

THE GLEE CLUB AND CHOIR

The Girls' Glee Club of one hundred and twenty-four voices is the largest choral organization in the history of Olean High School. With Mrs. Gladys Harris as director and Miss Constance Tillow as accompanist, they gave a very fine Christmas program in December and a Spring Concert in May. They also presented a Christmas assembly.

The Mixed Choir, also under the direction of Mrs. Harris, presented the popular " 'Twas the Night Before Christmas" and a very successful pageant on the Christmas program, and appeared at the Christmas assembly.

The Choir attended the State Concert in May, their first in six years, due to war time conditions.

OLEAN HIGH SCHOOL SWING BAND

THE Olean High School Swing Band is composed of the first chair players of various sections of the O.H.S. Band augmented by a pianist. Its aim is to give these young musicians experience in another branch of the wide field of music, and also to provide O.H.S. with its own dance band for various events. Thus every Friday afternoon these players gather and then the same musicians that the afternoon before had played symphonies and overtures, bring forth something very different, but just as good, from their instruments.

This year the band has been under the student leadership of Angelo Melaro with Mr. Grant as adviser and fellow player. The band has learned many new numbers and is ready to give an assembly or to play for dime dances, and other school functions.

Although the busy schedule of the major organizations prevented the Swing Band from playing much in public this year, the experience and fun gained by the members was well worth the time spent in rehearsal.

SCIENCE DEPARTMENT

THE scene in the picture taken in the chemistry lab. is a common and everyday one. The student brings to class questions that form in the mind as a result of outside reading and observing the wonders of modern civilization. The questions asked daily are "How does this work?" or "How is that made?" Such questions often promote lively discussions in class.

The veteran returning from war to the classroom is a very active contributor to science class discussions. Not only does he have questions but supplies answers and explanations which are received with a great deal of respect and interest by the student whose experience lies wholly in the laboratory. Appreciation of the value of such science courses manifests itself in the number of returned service men who elect these courses.

The "man on the street" considers that great changes in our way of doing things are to be forthcoming in the very near future. Great things are expected ot the scientist. In this picture we see a group of students starting at the bottom as scientists in a high school laboratory. Perhaps one of this group shall some day provide a major contribution to the field of science.

THE Oil Painting Club, now in its third year has proven to be one of the most popular clubs in the high school. Its members are drawn from the Freshmen as well as the Sophomore, Junior and Senior classes. All students interested are welcomed in the club.

The meetings are held once a week in the art room. The study of color and composition is stressed, the subjects being still life with fruit and flowers.

An annual art exhibit of the work of the club is held in June.

THIS staff has written the two columns of "Congress" which have been published each week of the school year in the "Olean Times Herald". The preparation and publication of this yearbook, "Congress—1947", is the work, for which the members of the staff wish to be remembered.

THE Olean High School Minstrel Show of 1947, "Now and Then", under the direction of the Student Council was an outstanding success.

This 1947 Minstrel set a record in that it was the first time the O.H.S. auditorium had been full on two successive nights. The money earned will about complete the payments on the movie projector purchased last year.

Yours always

AT THE beginning of the year, the Presidential campaign began with two candidates being nominated for president and two for vice-president. The campaign was conducted similar to a national campaign with speeches, posters, and all.

Through the work of the Student Council this year, new cheerleading uniforms were purchased and work on a school paper is to be started in the near future.

The highlight of this year, as well as last year, was the Minstrel Show entitled "Now and Then", which was a production given here at school by Olean High School students. Approximately 250 to 300 students took active parts in the show and, for the second time in the history of the school, this same kind of show proved a great success. It is our sincere hope that these shows will be an annual occurrence in the school from now on.

MARY LOUISE BLASKE	President

IN the Little Theater every other week, you will find future Bernhardts and Barrymores developing their talent through the medium of pantomines, speeches, and one-act plays. All these activities are under the direction of our advisers, Miss Agnes Casey, Miss Bertha Bear and Miss Elizabeth Baldwin.

Since the history of the development of drama is such a fascinating subject that a club could devote its entire time to its study, several meetings were devoted to that thought-provoking topic. Biographies of people connected with the theater and reviews of current plays proved to be valuable background material. Group participation in quizzes and choral reading encouraged all the members to activity. Discussions of dramatic principles and the art of make-up were also a part of the club curriculum.

Who knows but what some day one of the members of the Dramatic Club of Olean High School will become a famous stage personage—either through acting or directing?

JUNIOR CLASS PLAY

JOHNNY CLOVER, helped by his friend, Spud Erwin, is editor of the Preston High School PENGUIN. He is setting up an office in his former nursery, across from the school. His troubles begin when his mother takes over the decoration of this office, adding frills, and they increase when Susan Blake, chosen by the journalism teacher, Miss Willard, arrives to share his office as assistant editor. Susan challenges Johnny's authority as setter of editorial policy, and as chooser of his girl friends. She opposes his idealism and susceptibilities (especially to a Lucybelle Lee), with a tireless practicality and an unswerving determination to succeed. Schooled by Mrs. Clover and Miss Willard, she does not alter her goal but cloaks her tactics with feline subtlety. True, she finds herself faced with bankruptcy and a penitentiary sentence, but her ingenuity, coupled with that of Johnny's mother, overcome both obstacles, and she triumphs with Johnny in one hand and a career in the other. Nor are her efforts entirely selfish, for they result in the marriage of the principal, Mr. Quinn, and the unconquerable Miss Willard, as well as in the happiness of her rival, Lucybelle, saved from oblivion and already flinching a pinch of powder on her li'l ole nose.

"SKIDDING"

By Amania Ronnerol

"SKIDDING" presents episodes in the life of an American family, the Hardys. Marion Hardy is the college girl who has fallen in love with Wayne Trenton, just as a career is opening up to her. Two attractive elder sisters, Myra and Estelle, who chose to marry before they finished their education, want to "go home to mother". Mrs. Hardy has to go on a strike to straighten out the family, including her husband, Judge Hardy, who is too absorbed in being reelected judge of the district to pay attention to family troubles.

Andy Hardy, a delightful adolescent, has his troubles, too. Aunt Milly philosophically watches the family difficulties and contributes her advice. Absent-minded Grandpa Hardy touched the heart with his reminiscences.

Humor, pathos, and philosophy blend making the play significant as well as amusing.

O. H. S. LIBRARY 1946-47

BOOK WEEK, November 10-16, was celebrated by two new posters, Books Are Bridges, and How To Find a Book, as well as by an exhibit of books in O.H.S. Library by winners of the Nobel, Pulitzer and Newbery prizes. Biographies of many of these winners were also in this display.

Brotherhood Week, February 16-22, was observed by posters with pictures of and statements by President Truman, Generals Eisenhower and MacArthur, Admiral Nimitz and assorted famous movie stars dear to the young. An exhibit also on racial and religious tolerance was set up of pamphlets including prayers and statements of George Washington and books by various authors. The book, "One God", by Florence Fitch was opened to show photographs of religious services celebrated in Catholic, Jewish and Protestant places of worship. In this display were also six novels for the high school level; Dorothy Canfield Fisher's "Seasoned Timber", Gollomb's "Up at City High", Heyward's "Mamba's Daughters", Means' "Shuttered Windows", Saroyan's "Human Comedy" and "My Name Is Aram".

During the year both English and Social Studies teachers assigned as usual readings on Famous Negroes and Foreign-born Citizens.

Many bibliographies were compiled by the librarian and books put on reserve for the new course in Problems of American Democracy.

This year several of last year's library staff members carried five subjects each so only Geraldine Weigartz, senior assistant, and Mildred St. Clair were left to carry on. Last year's staff member, Janet Brenan, represented O.H.S. on the Quiz Team.

We acknowledge the gift of books from the following: Alex Freeman, student, and faculty members, Miss Hobart, Miss Gould and Mr. Thomas. Flowers have been presented the library by Mrs. Dunn and Miss Schleich.

ASSEMBLIES

ONE of the most interesting events of the school week is the assembly program. Assemblies are presented almost weekly in our high school auditorium. In assembly, the students find a spirit of pleasure and enjoyment. They gain information concerning school activities, appreciation of all that is fine in our school life and inspiration for carrying out school projects.

Student participation in assemblies is encouraged and appreciated by students and faculty. Students are greatly interested in the talent of their fellow students. They also enjoy programs presented by outside performers. The Student Council makes it possible to have these programs by arranging for raising money to pay for professional talent.

The assembly is a common meeting place where all are educated and inspired while being entertained.

JUNIOR RED CROSS COUNCIL

HOWARD JAEKLE - - - - - - - - Chairman

THOMAS BURKE - - - - - - - Vice Chairman

NORVIL CHEW - - - - - - - - - Secretary

MRS. KERSHNER - - - - - - - - - Adviser

FOR several years, O.H.S. had both a Junior Red Cross Council and a Knitting Club. This latter, as the name implies, made afghans, bed socks or whatever was sent for them to make. They were the production crew of the Junior Red Cross.

The Council is not in any sense a production crew. It is composed of a small group of students, interested in Red Cross work, whose chief purpose is to serve as official spokesman of its Junior members, and to coordinate the Junior Red Cross activities with those of the adult members.

This year, Howard Jaekle has been chairman of the Council, Tom Burke, vice chairman, and Norvil Chew, secretary. They have attended monthly meetings with representatives from all the schools of the city; they helped direct our fall membership drive; they planned and took part in the Assembly program in which a Red Cross worker told of her experiences in other lands. They have helped collect material for exhibits, and have given advice on using the funds of the organization to aid stricken and impoverished children in foreign lands. Junior Red Cross could not function satisfactorily without a ready and willing council.

LE CERCLE FRANCAIS has had a successful year due to the sincere efforts of its members and officers to attain the aims of the club, that is, to provide occasion for the use of French outside the classroom and for improvement in the fluency, pronunciation and comprehension of all participating.

The programs have been interesting and varied. At Christmas several members presented an effective carol-lighting service commemorating different phases of French life and closing with the French versions of Christmas carols. Other programs offered quiz games and scenettes enacted by the advanced students.

The most enjoyable meeting was provided by the visit of Madame Duhart, a French bride, who spoke about the France of today and answered many questions about the daily life there during the War and the Occupation, and her impressions of our country.

The club also sponsored the sending of gifts to children in Europe through the services of the World Friendship of Children. The French classes contributed gifts and included in each a message which they hope will be answered.

"VENI, VIDI, VICI," "Alia iacta est," "Et to Brute," "Divide et impera," "Quo usque tandem abutere, Catilina, paticutia nostra?" If one happened to go into Room 104 Wednesdays after school he might hear similar phrases for the Classical Club would be in session.

The Classical Club is composed of all those students who wish to further their knowledge about Rome and Roman culture, art and civilization. The meetings are held every Wednesday afternoon in Room 104. Different members take part in the planning and carrying out of programs each week. Through the informal means of plays written in Latin, spell-downs, talks, and games the members gain information about Roman life which is not learned in class.

Several members of the Classical Club prepared Christmas packages for the children in war-torn Europe. The senders of these packages have received many interesting and grateful letters from those girls and boys of Europe whose lives are more difficult than those of fortunate American girls and boys.

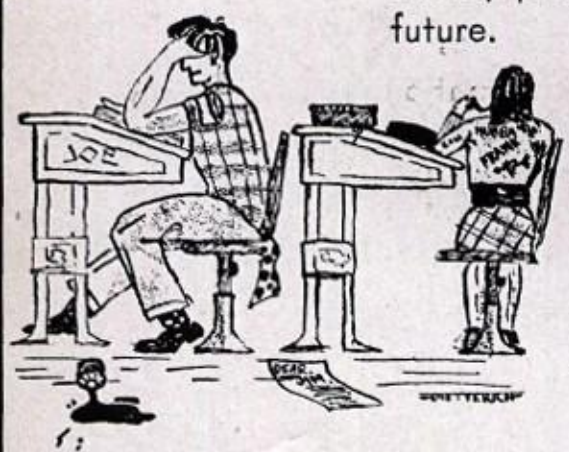
MISS GOULD, MISS WOMBOUGH, MRS. HANNIGAN	Advisers

WE, THE STUDENTS Club meets every Wednesday afternoon in Room 102 for the purpose of conducting a discussion on some topic of current importance. These discussions have been both spirited and interesting and have made us appreciate the great problems which face well-informed American citizens.

Topics that have been discussed include: Alcoholism; Should We Fight Russia?; Teachers' Salaries; and other topics suggested by the news and by local conditions.

Last year the club presented a "Junior Town Meeting of the Air" as an assembly program. We hope that we may again present such an assembly in the near future.



The more high school students discuss current problems and seek to be well informed on the national state and city issues of the day, the more intelligent, and therefore better citizens they will be.

In a certain measure, "We, The Students" is a club promoting good citizenship by living and learning both for the present and for the future. Its members consider it one of the outstanding activities of Olean High School.

MARY ANN DELANEY	Vice President
AUDREY NICKEL	Secretary
EILEEN CRONIN	Treasurer
MISS HOBART	Adviser

THE Wayside Society, which is an organization for Junior and Senior girls, has been very active this year. In their quest to promote friendly relations between girls in these classes, the club has sponsored several projects. Among these are the selling of personalized stationery, the writing of letter booklets for overseas Red Cross organizations, the knitting and crocheting for the Red Cross Work Club. The girls in the club have also taken charge of the check rooms on various occasions when programs were being presented in the school. Another worthwhile project finished this year by the club was the making of picture scrapbooks for hospitalized children.

Wayside has sponsored these projects in the hope that they would be of service to the school and to the community. With Miss Hobart as adviser, the club has proved itself an asset to the school and a contributing factor in the promotion of individual development and co-operation.

CHESS CLUB

JAMES SMITH - - - - - - - - - - President

ROBERT PAUGH - - - - - - - Vice President

MR. FROST - - - - - - - - - - Adviser

EARLY this fall as the Chess Club was beginning its third year, an onlooker might have observed experts and novices engaging in rather a one-sided play. As the season progressed, it was interesting to note that the novices had profited from experience and were ample challenge to the best.

Best evidence attesting to the value of the game and club is the increase in membership. Interest has reached such a point that some players meet more than weekly to match wits. With such interest it is safe to forecast a long future for the club.

Members in the club welcome others who may wish to learn to play chess or tc improve present playing abilities.

HOME ECONOMICS CLUB

MARION KEAGLE	President
ELIZABETH MURRAY	Vice President
MARION CASHIMERE	Secretary
JOAN GALLOWAY	Treasurer

THIS year the Home Economics Club celebrated its twentieth anniversary. Each year the club has expanded so that now its functions are among the most noteworthy of the school.

The members of the Home Economics Club are state and national members of the Future Homemakers of America.

In October, a faculty tea was held in honor of Miss Lawson, the New York State Supervisor of Home Economics.

The year was highlighted as usual by the Christmas Tea. At this time a party was sponsored and gifts of food and clothing were made to two families of the area. Colored motion pictures were taken of the party and later shown to the various Home Economics classes. A spirit of thoughtfulness and good will was displayed by the girls as they made over clothing and worked to provide a happy Christmas for the families.

The girls are indebted to Miss Wall, Miss Eaton, and Mrs. Arnold for their tireless effort to help us make the club a success.

NEW YORK STATE HONOR LEAGUE

THE New York State Honor League is an honorary state-wide organization of high school students who rank highest in scholastic ability and extra-curricular activities. The purpose of the league is to promote good scholarship and outstanding school citizenship.

The members of the League in each school are chosen by two ballots. In Olean this year, a list of forty-eight Seniors, with the highest grades, up to and including the previous January examinations, was first submitted to the teachers. From this list they selected thirty-six equal to fifteen per cent of the class, whom they considered the finest characters and being the most valuable to the school.

The result of the teacher vote was then submitted to the members of the Senior Class who selected ten per cent of the Senior Class or twenty-four for the year. Character, value tc the school, and future promise are the points upon which their selection was based.

The Olean High School members of the 1947 New York State Honor League are:

LETTERMEN'S CLUB

THE Lettermen's Club is composed of Varsity men from three major sports, football, basketball, and track; and also of those who have earned a twenty-point letter for participation in the various extra-curricular activities of the school. As the membership in this club is seldom over fifty, the students comprising it are the most prominent in all types of school activities—those who have developed elements of leadership.

Probably there is no activity in which membership is more desired than this, as belonging to this club is the highest honor attainable during one's career in Olean High School.

THE 1946-1947 season proved to be a very exciting one for the Varsity Cheerleaders, thanks to Mrs. Dunn, adviser, and to everybody who backed them up.

For the first time the All-Star Basketball game was played in Olean on March 18. Two cheer leaders from each school in Cattaraugus County cheered their All-Stars on. This is only the second time cheer leaders have attended these games. Betty Weis was chosen All-Star cheer leader this year and Wilma Davis represented Olean last year.

There are six Varsity cheer leaders graduating this June who wish the future cheer leaders success.

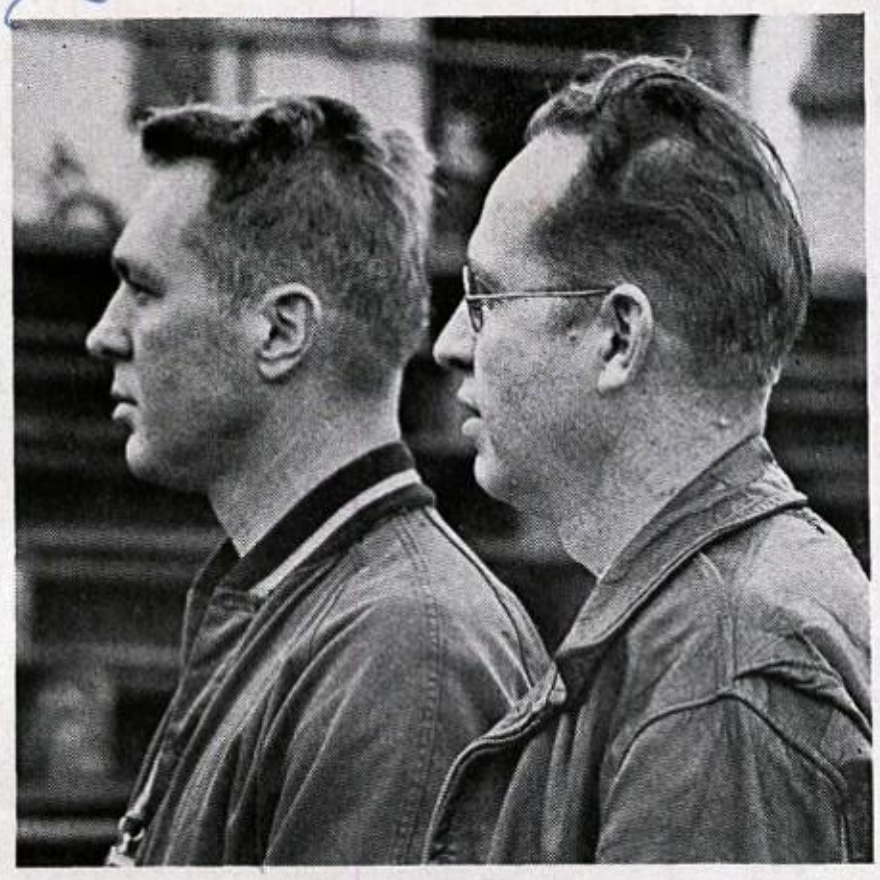
OLEAN HIGH SCHOOL 1946 FOOTBALL SQUAD

PIGSKIN REVIEW FOR 1946

THIS year Olean celebrated the return of Coach Pohndorf, who, with the assistance of Coach Kunkle, turned out a good team with a fairly successful season. The Huskies defeated Wellsville, Batavia and Dunkirk, while losing to Jamestown, Salamanca, Bradford and a nip and tuck duel with Hornell.

Olean awarded Varsity letters to 17 men. Snodgrass, Shaw, Peterson, Kubiak, Leonard, Dimicco and Hornburg, will all be lost for next year because of graduation.



COACH—R. H. POHNDORF
ASSISTANT COACH—W. E. KUNKLE

OLEAN 7 — HORNELL 13

Olean took on Hornell as the season opened, and lost a last minute heartbreaker 13-7.

OLEAN 19 — WELLSVILLE 0

The Huskies met the "T" for the first time in the season. After the first quarter, Olean was in command and had an easy time rolling up a 19-0 score.

OLEAN 19 — SALAMANCA 27

The Red and Gold realized their need of a pass defense, after Salamanca surprised everyone by upsetting Olean 27-19.

OLEAN 0 — JAMESTOWN 23

The Crimson suffered their third loss of the season, as the Jimtowners romped to a 23-0 victory.

OLEAN 13 — DUNKIRK 12

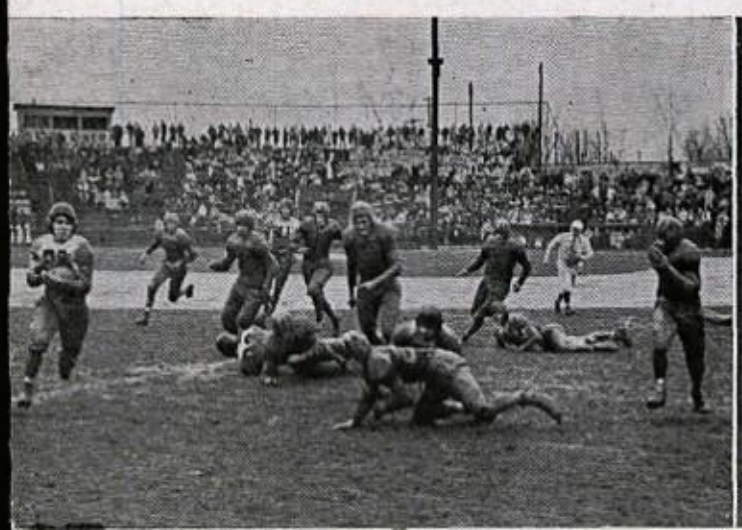
The Huskies showed some of their "never say die" spirit, as they came back from the Jamestown loss, and upset the highly favored Dunkirk eleven 13-12.

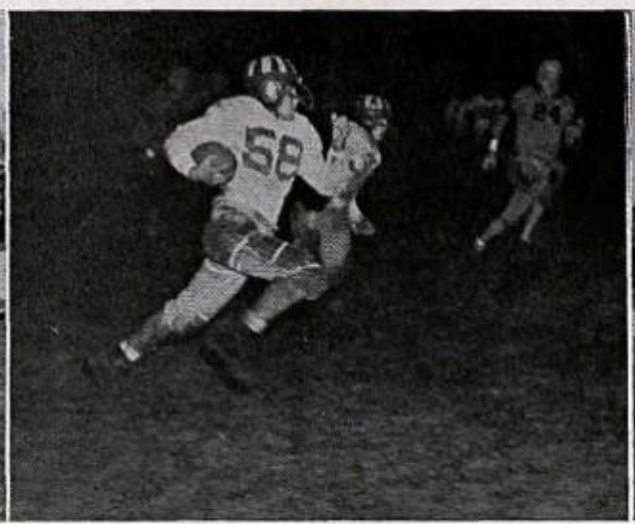
OLEAN 0 — BRADFORD 38

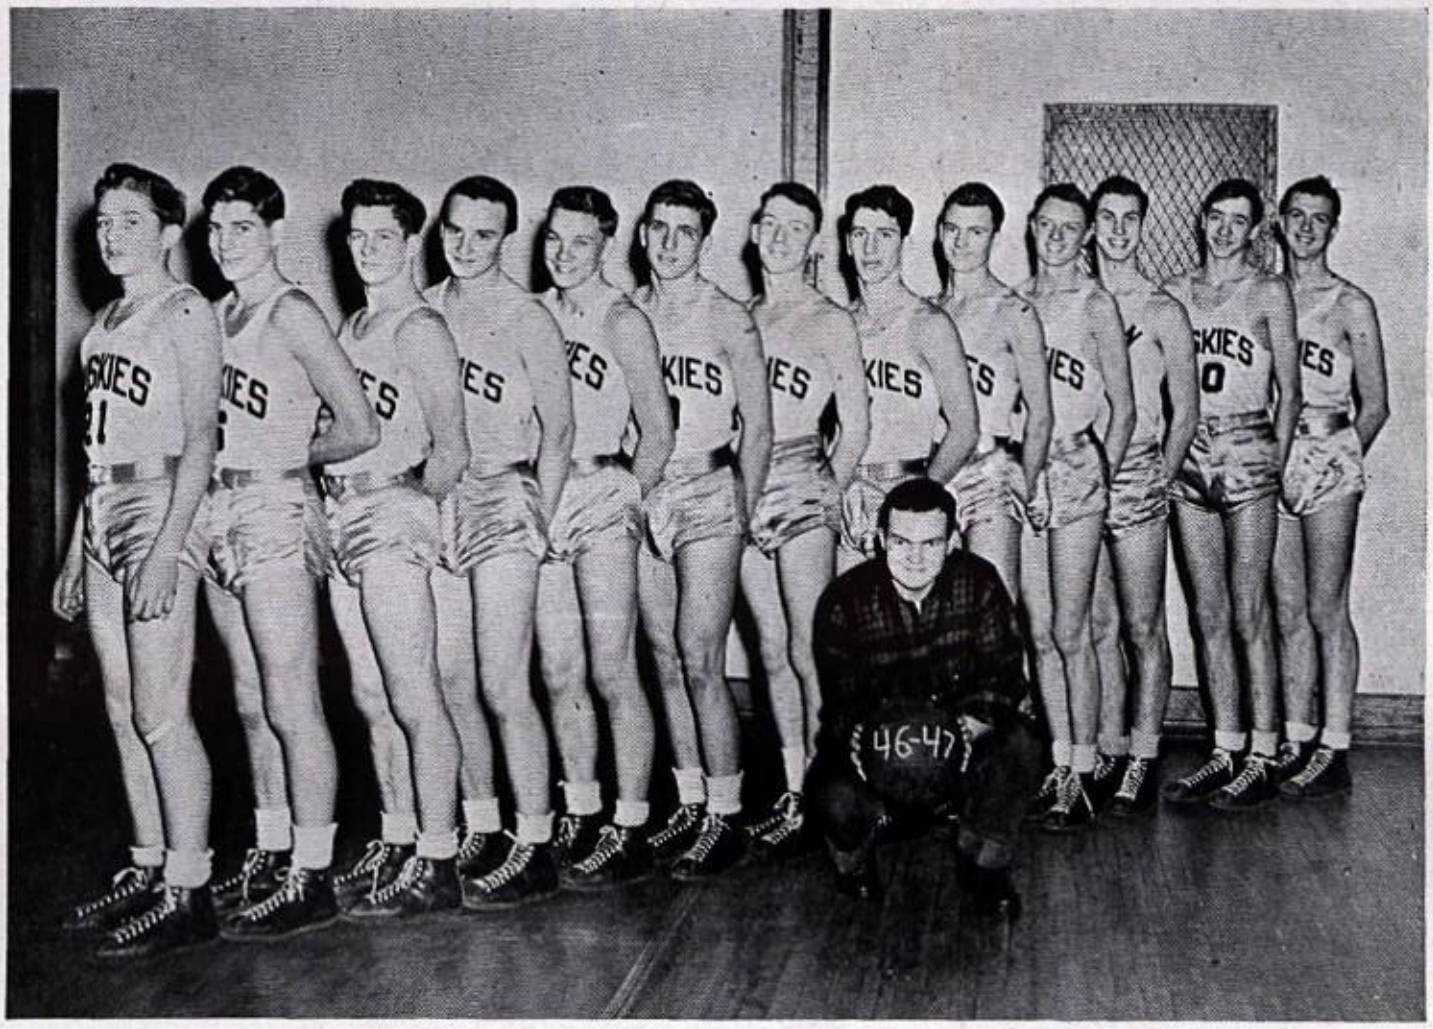
In the annual Armistice Day tussle, a highly favored Bradford powerhouse chalked up a 38-0 victory on a rain-soaked field. This was one of the "Owls" greatest elevens, having lost only one game as Erie Academy upset them 13-0. Although the outcome was imminent from the start, the Red and Gold fought gamely right up to the finish.

JUNIOR VARSITY FOOTBALL

Olean also played a four game JV schedule, winning three and losing one. They defeated the Franklinville Varsity 25-0 and 13-7. Against the Bradford JV's, they split, winning one 12-0, and losing the other 20-0.







Standing (left to right): D. Heysel, J. Kelly, J. Murphy, L. Winters, B. Weis, L. Carnicelli, R. Garvey, H. Siago, D. Williams, F. Clark, P. Peterson, P. McCabe, J. Green; P. Douglas, holding basketball.

VARSITY BASKETBALL

WITH Coach Kunkle handling the Varsity again this year, the Huskies went through a tough sixteen game schedule, and gained an even split, with eight wins and with eight losses. Olean also dropped post-season games with Jamestown and Gowanda. One bright spot in a rather fair season is the fact that only two men, Bob Weis and Paul Peterson, will be lost because of graduation. The other ten men will be returning, along with several promising JV's.

OLEAN 44 — RANDOLPH 16

In the season's opener on their home floor, the Huskies had an easy time winning 44-16.

OLEAN 26 — JAMESTOWN 37

The Crimson journeyed to Jamestown and absorbed their first defeat 37-26.

OLEAN 29 — ALLEGANY 27

With Joe Kelly dropping in a setshot in the final seconds the highly favored Huskies just managed to edge out Allegany on their small court, 29-27.

OLEAN 36 — ALFRED-ALMOND 42

Olean succumbed to a smooth working Alfred-Almond five on the local's floor, 42-36. The game was close all the way, with the AA boys pulling away in the final period.

OLEAN 29 — ERIE-EAST 36

The highly touted Erie-East quintet came to Olean and handed the Hilltoppers their third loss, 36-29.

OLEAN 40 — FALCONER 38

The Huskies upset the favored Falconer five in a nip-and-tuck battle, 40-38, to again hit the .500 mark with three wins and three losses.

OLEAN 24 — GOWANDA 48

Olean suffered its fourth loss of the season to Gowanda's undefeated Panthers, 48-24. Milan Miller, highest scorer in Western New York, racked up 17 points.

OLEAN 13 — BRADFORD 40

In a game which was no contest from the beginning, the Huskies were drubbed by the Owls, 40-13.

OLEAN 43 — SALAMANCA 32

Olean got back in stride at Salamanca, beating the Chiefs 43-32.

OLEAN 56 — ALLEGANY 32

It was a different story with Allegany playing on Olean's large floor, and the Huskies really went to town, winning 56-32.

OLEAN 36 — GOWANDA 58

Again it was Miller, as the Huskies journeyed to Gowanda to suffer their sixth loss, 58 to 36.

OLEAN 32 — BRADFORD 52

The score does not tell the story in this game, for at the four-minute mark, the Huskies trailed the Owls by only eight points.

OLEAN 56 — SALAMANCA 49

Salamanca came here and in a rough, tough battle, the Huskies came out on top of a 56-49 score.

OLEAN 58 — RANDOLPH 46

Olean built up a wide margin in the first half, and needed every bit of it, to gain their seventh win of the season 58-46.

OLEAN 33 — CORNING FREE ACADEMY 32

In a rough, fast-breaking game, the Huskies won in the final seconds on Bob Weis's once in a lifetime, setshot, 33-32.

OLEAN 51 — ALFRED-ALMOND 59

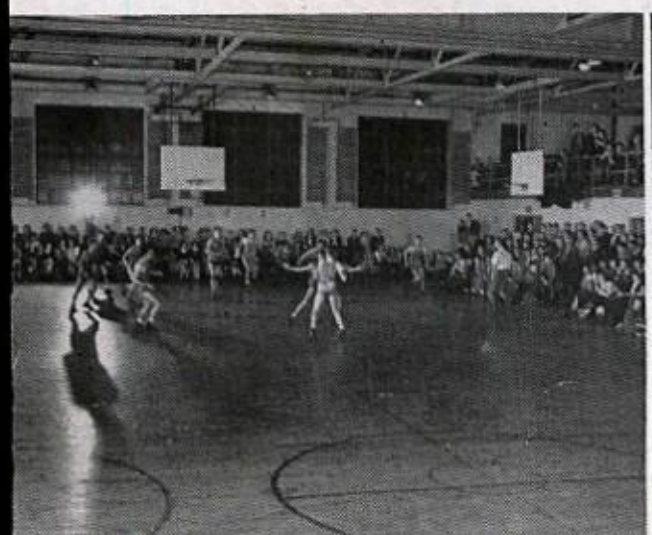
Hampered by injuries, the Huskies put up a strong fight but finally lost out in the last four minutes, 59-51. This game ended the regular season, with eight wins and eight losses.

OLEAN 40 — GOWANDA 43

In the playoff for the county championship, the Huskies playing the best game of the year, lost a heart-breaker to the Panthers, 43-40. Milan Miller was the difference, as he scored 25 points to lead the Panthers to victory.

OLEAN 35 — JAMESTOWN 51

After playing five consecutive good games, the Huskies were due for a letdown, and it came in the playoff for the AA bi-county championship, as the Huskies lost 51-35.



Front Row: Mr. Pohndorf, J. Wheeler, J. DeGolyer, G. Eyler, D. Nickel, W. Gurney. Standing: D. Snyder, L. Whalen, B. Hasty, D. Johnson, I. Draear, B. Russell.

JUNIOR VARSITY BASKETBALL

WITH Coach Dick Pohndorf back at the helm, the JV basketballers went through a fifteen game schedule winning five and losing ten. JV letters went to Eyler, DeGolyer, Snyder, Russell, Nickel, Draear, Johnson, Whalen, and Wheeler.

TRACK

THIS year marks the second year of track since the war. Last year under Coach Pohndorf, the Huskie thin-clads went through five meets including the County meet, in which teams from Falconer, Gowanda, Allegany, and Franklinville were also entered. Olean won four meets and lost one. Among the lettermen lost from last year's squad are "Chuck" Karuch, undefeated in the 100 and 220, Lyle Spaulding, Harry McGavisk, Art Leonard, Joe Scech, Bob Snyder, and Dick Snodgrass, who is lost because of a broken leg suffered while skiing last winter. Returning lettermen are Augustini, B. Dimicco, Kubiak, Kukulka, Marcus, McPeak and Shaw.

IT IS the object of the Girls Sports Council to promote student leadership among the girls, to organize their sports, and to develop an interest in athletics suited to developing a healthy and graceful young woman.

In the election of officers certain requirements are necessary. All girls nominated must have at least one sports letter and the President of the Council must be a Senior.

The Sports Council awards letters yearly to girls participating in five of the following sports: Volleyball, basketball, ping pong, softball, shuffleboard, volleyminton, and tumbling. This year the Sports Council sponsored Winter Basketball play day in Olean. Ten girls and one adult from Allegany, Hinsdale, and Portville schools attended.

GIRLS' BASKETBALL

THIS year many girls came out for the popular sport of basketball. The girls were divided into teams according to their year in school. Each class had play-offs, and the winners played the other classes for the thrill of participating in the championship game.

Each game proved a step towards the final game, and in the end the Senior team, the Mighty Termites, and the Junior team, the Wolverines, proved the ablest. Due to extraordinary circumstances the Seniors had to forfeit the game to the Juniors but we are sure they would have put up a good fight if the game had been played.

Members of the two top teams are:

SENIOR TEAM

WILMA HENRY (Captain)
MARY EADE
LILLIAN DeGOLYER
WILMA DAVIS
JUNE BRANDON
MARILYN KING
DORTHA EASTON

JUNIOR TEAM

JEAN HEINRICH (Captain)
WILMA ADAMS
JUNE THREEHOUSE
SHIRLEY LAMBERT
BARBARA CURTIS

Kneeling: J. Saylor, J. Ensell.

VOLLEYBALL

THIS year the girls' volleyball teams of all the classes were evenly matched and many exciting and close games were played.

Each class had individual playoffs and the winners were:

SENIORS	MIGHTY TERMITES
JUNIORS	WOLVERINES
SOPHOMORES	HUBBA HUBBAS
FRESHMEN	BOBBY SOCKERS

The Senior team and the Junior team next played and the Juniors were victorious. The Sophomores and the Freshmen played and the Sophomores won the game.

The championship game finally came and the Wolverines beat the Hubba Hubbas.

Members of the Wolverines team were:

JEAN HEINRICH, Captain
JANET SAYLOR
WILMA ADAMS
JOAN ENSELL
DIANE HASELOFF

The Lowest Price, That's All!

Don't worry too much about Mr. Lowest Price — his proposition glitters only at first glance. Buyers of printing seldom are fooled by him more than once. He spikes his own game with the delivery of the job—in fact, he gives the show away with the very first proof . . . Remember: the salesman who sells brains and craftsmanship, who can create good selling ideas and put them on paper, has no competition from the out-and-out price cutter.

DOLLAR DIPLOMACY

When you graduate from school you don't expect exactly to conquer the world, but you certainly would like to put yourself "on the map" somewhere. ¶May we give you a tip? "Dollar diplomacy" will help you a lot. Also, there are no diplomats so forceful and astute as dollars you have earned yourself. ¶When you go out on the "firing line" of life money will be munitions. Most of it, of course, you will have to earn after you graduate, but if you learn something now about handling money with tact and thrift, it will be of the utmost help to you later.

OLEAN Y. M. C. A.

How About You?

The Y.M.C. A. has many people in its membership. We would be glad to welcome you, too. The cost is quite low; the program of activities quite varied. ¶Why not think of your Y.M.C.A. as your club?

TO THE CLASS OF 1947:

Success in the world of today demands the best of preparation on the part of those young men and women who are about to take their places as members of a competitive society. Second only to good character is intellectual equipment.

The future of the world and the personal success and happiness of its membership will not be determined by the extent and strength of its armed might but rather will its course be chartered and its future made secure by the character and the intellectual discipline of its people.

To you, the graduates of 1946, the leaders of tomorrow, congratulations and best wishes. In this great democracy each shall write his own history. May your hand be steady, your purposes noble, and your mind clear.
